

The 1,000-Word Three-Language Starter Pack

English + Somali + Swahili learning reference

Tip: Treat this as a starter vocabulary workbook, not as a definitive dictionary. Confirm nuanced meanings with fluent speakers.

Free download for learners of Somali, Swahili and English.

How to use the starter pack

This is a broad practice library rather than a specialist academic dictionary. Use it to build recognition, then confirm unfamiliar words in a trusted dictionary or with a fluent speaker before formal publication or high-stakes use.

#	English	Somali	Swahili
1	person	qof	mtu
2	people	dad	watu
